been continued to be
given, subsequent to the
fixing of a scale of

petitioned ~~to~~ Govt later on for
payment of half yearly
interest to him one such
reminder was issued in

the fact of a new

collection which ought to
have been kept in 'Sus'

again complained (of ~~no~~

The error it will be observed was in cont. with a file opened from after the bifurcation when the branch work was in some sort of confusion.

No copy of the order seems to have been sent to the donor. A draft endorsement is therefore put up, forwarding a copy of the order to the donor, for approval or other orders.

13 orders are also solicited as to whether the order (being an important one, fixing a scale of expenditure) may not be printed.

He is also to submit accounts of receipts & expre to the Auditor every month. So the draft ord. of Mr Ramanna may be approved.
